# Overview of meat safety control

agriculture, land reform  
& rural development

Department:  
Agriculture, Land Reform and Rural Development  
REPUBLIC OF SOUTH AFRICA

# Meat Safety Act, 2000 (Act No. 40 of 2000)

## Purpose:

- To provide for measures to promote meat safety and the safety of animal products.
- to establish and maintain essential national standards in respect of abattoirs.
- to regulate the importation and exportation of meat.
- to establish meat safety schemes.
- to provide for matters connected therewith.

## Specific deliverables:

- Regulation of slaughtering of animals
- Registration and monitoring of abattoirs.
- Combatting illegal slaughtering of animals.
- Chemical residues monitoring in food of animal origin.
- Microbiological monitoring of meat (imported and locally produced).
- Export and export facilitation of food of animal origin.

# Meat Safety Act – Entry and search of Premises

## 16. Entry and search of premises

1) The NEO may, on the authority of a warrant –

a) in order to obtain evidence, enter any premises where he/she has reason to believe that any scheme, prohibition, control or instruction contemplated in this Act has been or is being contravened;

b) direct the owner or a person employed at the premises--

i) to deliver any book, record or other document that pertains to the investigation, and which is in the possession or under the control of the owner or that person;

ii) to furnish such information as he or she has with regard to the matter under investigation; and

iii) to render such assistance as the national executive officer requires in order to enable him or her to perform his or her functions under this Act;

& rural development

Department:  
Agriculture, Land Reform and Rural Development  
REPUBLIC OF SOUTH AFRICA

## Entry and Search of Premises

- c) inspect any book, record or other document and make copies thereof or excerpts therefrom;
- d) examine any animal, meat, animal product, substance or material found on the premises;
- e) take samples of any animal, meat or animal product or any substance or material used or intended for use in the treatment of meat, and test, examine, analyze, grade or classify such samples;
- f) seize any animal, meat, meat product, substance, material, book, record or other document which might be relevant to a prosecution under this Act and keep it in his or her custody; and
- g) remove anything seized from the premises where it has been seized, or leave it at the premises and, if he or she deems it necessary, attach an identification mark or seal thereto, or to the container thereof, but the person from whose possession or control any book, record or document has been taken, may, at his or her own expense and under supervision of the NEO, make copies thereof or excerpts there from.

REPUBLIC OF SOUTH AFRICA

## Entry and Search of Premises

3) The national executive officer executing a warrant in terms of this section must immediately before commencing the execution identify himself or herself to the person in control of the premises, if such person is present, and hand to such person a copy of the warrant or, if such person is not present, affix such copy to a prominent place on the premises.

4) a) The national executive officer may not enter upon or search any premises until he or she has audibly demanded admission to the premises and has notified the purpose of his or her entry, unless he or she is, on reasonable grounds, of the opinion that any article or thing might be destroyed if admission is first demanded, and such purpose is first notified.

b) If the national executive officer, on the authority of a warrant issued in terms of subsection (2), enters upon or searches any premises he or she may use such force as may reasonably be necessary to overcome resistance to such entry or search.

c) Any entry and search in terms of this section may only be executed by day, unless the execution thereof by night is justifiable and necessary.

REPUBLIC OF SOUTH AFRICA

# Entry and Search of Premises

6) The national executive officer may without a warrant enter upon any premises, other than a private dwelling, and' search for, seize and remove any article or thing referred to in subsection (1) if--

a) the person who is competent to do so consents to such entry, search, seizure and removal; or

b) there are reasonable grounds to believe that a warrant would be issued in terms of subsection (2) and the delay in obtaining such warrant would defeat the object of the warrant.

# Meat Safety Act - Delegation

## 3. Delegation and assignment of powers and duties by national executive officer

a) The national executive officer may delegate any power conferred on him or her or assign any duty imposed on him or her by or under this Act--

i) to any officer under his or her control;

ii) to a person who is not an officer; and

iii) with the approval of the MEC, to a provincial executive officer.

b) A delegation or assignment under paragraph (a)(ii) may only be made with the approval of the Minister.

c) A power or duty delegated or assigned to a provincial executive officer may be further delegated or assigned by such provincial executive officer to any officer under his or her control or to an authorised person.
