**Etienne Coetser** is an Emergency Care Practitioner who graduated in 2020 with a degree in Emergency Medical Care. I began my career as an operational Advanced Life Support (ALS) practitioner with ER24 Joburg Central, where I worked from 2021 to 2023..

In September 2023, I became a permanent member of ROCKET HEMS. I have a strong interest in critical care retrieval and am dedicated to providing advanced care in dynamic and challenging environments. Additionally, I love to fly.

#### Qualifications

BEMC

**Garth Moys** is a highly experienced flight paramedic, currently serving as the Regional Manager for the Western Cape at the South African Red Cross Air Mercy Service (AMS). With a career spanning over a decade in prehospital and aeromedical care, Garth has played a pivotal role in critical care retrieval and emergency response across South Africa.

Known for his clinical expertise, commitment to patient safety, and passion for advancing aeromedical systems, he brings a wealth of operational and training insight to the field.
