TO AVOID COVID-19 INFECTION, WE WILL DO THE FOLLOWING:

- Book your appointment. There will be no waiting at the clinic
- Organise safe transport to and from the clinic
- Screen you for COVID-19 before the circumcision and afterwards until you are healed
- Our staff are fully trained to deliver safe circumcision and prevent COVID-19
- Our facilities are disinfected after each client visit
- We will support you with wound healing

PREVENT COVID INFECTIONS AT ALL TIMES:

- Wash your hands with soap for at least 20 seconds regularly or use sanitizer with 70% alcohol-based solution
- Avoid touching your eyes, face, mouth and nose
- Keep more than three steps away from other people
- Cough or sneeze into your folded elbow
- Stay at home unless you need to shop, access medical care or go to work

REMEMBER:

Wear a mask from when you leave home to when you get back from the clinic. No mask, no cut.
