## DOCUMENT SUBMISSION TRACKER FOR RELEASE 18 NOVEMBER 2021

The Vaccine Reimbursement Unit provides the attached release of the document tracker today, 18 November 2021 for information purposes. The cut-off date for inclusion was 15 November 2021.

Kindly note that the attached tracker is compiled from multiple sources. Whilst every attempt was made to ensure that the correct information is provided, it may include duplicates and/or omissions.

The list will be updated and published weekly on Thursdays to the Knowledge Hub until further notice to allow customers to view their status and take the necessary corrective actions to become compliant with the requirements contained in the Sales and Distribution Agreement and Credit Application before the 30<sup>th</sup> of November 2021 to avoid any interruptions to supply of vaccine.

It serves as a reference document and you are urged to contact the Department to clarify any discrepancies you may pick up. Customers are requested to use ONLY the official communication channels to bring to the attention of National Department of Health any matters that need to be resolved. The contact information is as follows:

- a) For all submissions relating to the submission of SDAs and credit applications kindly use [cov19creditapplication@health.gov.za](mailto:cov19creditapplication@health.gov.za)
- b) For all other enquiries, please use [cov19enquiries@health.gov.za](mailto:cov19enquiries@health.gov.za).

The National Department of Health appreciates the continuous support and contributions by private healthcare providers towards a successful COVID 19 vaccination programme.

Kind regards
